

46TH INTERNATIONAL TATRA MEETING  
MAY 14 TO MAY 17, 2026

**INVITATION**  
TO  
DRACHTEN (FRYSLÂN, THE NETHERLANDS)

„BETWEEN PLANETS AND LAKES“

Unfortunately, we don't have any mountains. But we have limitless views instead. And quaint little villages. Windmills. Large, beautiful lakes. A fully functional planetarium dating back to 1774 (now a World Heritage Site). A workshop where wooden shoes are still made using traditional methods. A boat trip with lunch on board. And much more!

Our headquarters is the Van der Valk hotel in Drachten, where start and finish take place.

Lavendelheide 4  
NL-9202 PD Drachten

Meals (lunch and dinner) will be taken together. Ample parking is available on the hotel grounds for all vehicles (including tow vehicles).

The event is designed as a classic car tour with a cultural program. The route, totaling approximately 190 km over two days, is tailored to historic vehicles. Historic Tatra automobiles and other Ledwinka designs are permitted; other makes may be included by arrangement with the organiser.

Looking forward to seeing you at the meeting! See you soon!  
Sincerely,

Peter Visser

## Provisional Programme (Subject to change)

RLNWATWWGTD

For organisational reasons (hotel reservations, booking of participants etc.), early registration is required. Registrations will generally be considered in the order they are received.

**The closing date for entries is March 31, 2026!**

Registered participants who have paid the entrance fee will receive an individual confirmation of registration after the registration deadline.

## General terms and conditions

Vehicles must be in largely original and technically sound condition and be registered for public road use. Drivers must carry the vehicle documents. Participants must be able to provide proof of valid liability insurance. Drivers participate at their own risk and must comply with the provisions of the Dutch Motor Vehicle Act and the Dutch Highway Code. Instructions from law enforcement, the road administration, and the event organisers must be followed. Drivers bear full responsibility for the operational and roadworthiness of their vehicles and are liable under civil and criminal law for all damages caused by them and their vehicles.

By signing the entry form, participants accept the rules in the established regulations, waive their right to appeal to ordinary courts, and confirm their acceptance of unlimited liability for all damages caused by themselves, their companions, or their vehicles. They guarantee to indemnify the organiser against any legal action and claims.

The organiser reserves the right to change the route or schedule without notice. The organiser may cancel the event; in this case, any entry fees already paid will be refunded. Natural events beyond the organiser's control release the organizer from the obligation to hold the event.

Registered participants who do not attend the event are not entitled to a refund of their deposit.
