

43RD INTERNATIONAL TATRA MEETING
MAY 18 – 21, 2023

INVITATION

TO

ENNSTAL, STYRIA

„AROUND GRIMMING AND DACHSTEIN“

Dear Tatra friends,

After several years have passed since the last meeting organized by us in Zbiroh, we would like to invite you to the 43rd international Tatra meeting, this time in Upper Styria.

The starting point, start and finish of this year's trip is the *Landhotel Häuserl im Wald* in Mitterberg-Sankt Martin, only a few kilometres from Gröbming, the venue of the famous Ennstal Classic.

From there, our trips will take us through the upper Enns Valley and the Ausseerland. We will visit Stechau Castle, the second largest castle in Styria and the Steyr Museum located in it, take a lunch break at Lake Ödensee and make a coffee stop in our hometown Öblarn before returning home.

Our second trip takes us to Ramsau am Dachstein. There we will take the gondola to the top of the Dachstein, the highest mountain in Styria, where we will visit the Ice Palace, the Skywalk and the stairs to nowhere. After a little refreshment we will start our journey back, which will lead us along the river Enns back to the hotel.

At 2,700m above the seabed it might get very cold – so please remember to bring warm clothes and sturdy shoes!

There are no gradients on the track that would not be manageable for our cars. (We are taking the bus to the Dachstein gondola!).
