INVITATION

TO
ANGER, STYRIA

„BETWEEN ALMENLAND AND JOGLAND“

Dear members of T.F.I., Tatra-friends and guests,

As one of the youngest members of the club, I am very pleased to welcome you to my home region, the Feistritztal in Styria, for the 45th International Tatra Meeting of the T.F.I. Tatra-Freunde International from May 29 to June 1, 2025.

Center and starting point of our meeting is the village of Anger and the Hotel Angerer-Hof.

[***Hotel Angerer-Hof](#)

Bahnhofstraße 16

8184 Anger

Tel: +43 3175 2279

Fax: +43 3175 227922

Mail: office@angerer-hof.at

Please book the hotel yourself. A small, discounted room contingent has been reserved for us under the keyword "Tatra Meeting" until the end of March 2025. It is therefore worth booking the hotel immediately.

The hotel price includes the Styrian "[GenussCard](#)", which offers free services for more than 280 excursion destinations in Styria. This is of particular interest to those of you who want to stay a few days before or after the event to explore the area further.

I'm really looking forward to seeing you!

Best regards

Felix Maierhofer

PROGRAM (minor changes are still possible)

Thursday, May 29, 2025:

After the participants have arrived at the hotel, checked into their rooms and received their travel documents, the Feistritzalbahn will take us comfortably to Birkfeld in the late afternoon in a historic train set pulled by a steam locomotive from 1894, where we will have dinner.

Friday, May 30, 2025:

Immediately after breakfast we set off from the hotel heading south towards the state capital Graz. There we visit a very interesting museum, in which some vehicles designed by Erich Ledwinka are on display. After lunch we drive back to the hotel along old roads, stopping at Herberstein Castle. Before dinner the annual general meeting of the Tatra Friends takes place.

Saturday, May 31, 2025:

From the hotel we first head to the district capital Weiz. From there the route takes us to the Almenland, which offers a lot to discover, not just a landscape that invites you to linger. The morning ends with a leisurely get-together on the Teichalm. After lunch we head to the neighboring Jogelland and the forest home of Peter Rosegger, one of the most popular writers of his time.

Sunday, June 1, 2025:

After breakfast and saying goodbye, it's time to head home. But maybe some of you want to stay longer and explore the area and the other sights. For those of you, I have already prepared some program and route suggestions.

ENTRY FEE

The entry fee per vehicle is €90.

This includes the obligatory commemorative plaque, the start board, the road book and a commemorative gift, all parking fees and all other organizational costs associated with the trip. Of course, various tourist documents about the area will also be included in the trip documents.

The entry fee per participant, whether driver or co-driver, is €180.

This includes all meals, tickets and entry fees. It also includes a special personal souvenir, for which each participant's clothing size must be stated on the entry form.

For non-TFI members (as always) a small recognition surcharge of € 40 per vehicle will be charged.
